## TERMS GOVERNING SALE

This is a public auction sale, held under the auspices of the MIAMI BEACH MID-WINTER INTERNATIONAL COIN CONVENTION, and is conducted by the RARE COIN COMPANY OF AMERICA, INC. with the trade name RARCOA.

The highest bidder shall be the buyer, and if any dispute arises between two or more bidders, the lot in question shall be put up again. In cases where tie bids are received in the mail, the first bid recieved shall be the one entered. In any event, the Auctioneer's decision shall be final.

MAIL BIDS WILL BE ACCEPTED FROM THOSE WHO CANNOT ATTEND THE SALE IN PERSON. NO CHARGE OR COMMISSION will be made for executing your bids, but postage or shipping, plus insurance, will be added to the invoice.

When bidding by mail, we suggest that you put on your bid sheet the absolute maximum price you are willing to pay for each lot. Bids for all lots must be submitted in even dollar amounts, or they will be reduced to the next dollar amount. This DOES NOT MEAN that you will have to pay that amount in order to obtain the lot. It merely enables our agent who bids in your stead, to act for you more intelligently. You will pay only the proper advance over the next highest bidder, and this amount is often less than the top amount on your bid sheet. With the preceeding information, you can understand why we cannot accept "BUY" bids or "UNLIMITED" bids. If two collectors sent in "BUY" bids on the same lot, what could the auctioneer do? Lots delivered in the State of Illinois or Florida will be subject to the appropriate Sales Tax. CREDIT CARDS ARE NOT ACCEPTABLE for payment of auction lots.

AUCTION SALES ARE STRICTLY FOR CASH, AND MUST BE PAID FOR PROMPTLY IN U.S. FUNDS. Persons unknown to us when bidding by mail must include a deposit of 25% of their bids, or suitable references, or their bids will not be accepted. Any portion of such deposits not used will be refunded after the sale. Bids will not be accepted from minors. We reserve the right to require payment in full before delivery of merchandise. Title remains with RARCOA until all goods are paid for in full.

ANY LOTS PURCHASED BY FLOOR BUYERS MAY NOT BE RETURNED. No lots purchased by mail bidders may be returned without written permission. THIS IS NOT AN APPROVAL SALE, and you are expected to keep, and pay for, any lots that you purchase. No lots removed from the original holders may be returned for any reason.

ERRORS IN CATALOGUING WILL BE CORRECTED, but all claims for adjustment must be made in writing within 5 days after receipt of goods. We can, however, assume no responsibility for, or correct, any errors as to amounts or lot numbers on bid sheets, therefore: PLEASE RECHECK YOUR BID SHEET BEFORE MAILING!

**ALL PHOTOGRAPHS IN THIS CATALOGUE ARE OF THE  
ACTUAL ITEMS SOLD**

Lots may be inspected in our premises from December 12, 1977 to January 9, 1978 by appointment. Lots may be inspected at the Deauville Hotel beginning January 13, 1978.

FLOOR BIDDERS, PLEASE USE THE SAME BIDDING NUMBERS FOR ALL SESSIONS. PRICES REALIZED will be available for \$3.00.

VERY RARE CHOICE PROOF 1921 MORGAN

- 480    1921    Very lovely CHOICE BRILLIANT PROOF with frosty devices and pale golden toning. The 1921 is the RAREST of all Morgan Dollars struck in Proof, even though it was not offered for sale to the general public. The exact number minted is not known for certain, but it is estimated by many to be 20 to 25 pieces. This example has some light hairlines and a small mark on the chin, but it must rate among the FINEST KNOWN and is certainly the most attractive appearing of the date that we have seen. Most of the known specimens that fit all of the Breen die characteristics, as this coin does, have been harshly cleaned and do not come close to the beauty of this specimen. We doubt that another of this quality will appear for many years.

RARE 1889-CC

- 
- |     |         |  |
|-----|---------|--|
| 540 | 1889-CC | CHOICE BRILLIANT UNCIRCULATED with fully Proof-like surfaces showing some bag marks. Of the Morgan Dollars issued for circulation, this date ranks third in Mint State rarity behind the 1893-S and 1892-S. As such, the specimen offered here is expected to attract spirited competition before the final gavel falls. |
|-----|---------|--|
- 
- |     |         |  |
|-----|---------|--|
| 541 | 1890    | Frosty GEM BRILLIANT UNCIRCULATED.   |
| 542 | 1890-O  | Lustrous GEM BRILLIANT UNCIRCULATED, above average strike for this notoriously weak date.  |
| 543 | 1890-S  | GEM BRILLIANT UNCIRCULATED.  |
| 544 | 1890-CC | GEM BRILLIANT UNCIRCULATED with some light obverse bag marks.  |
| 545 | 1890-CC | GEM BRILLIANT UNCIRCULATED with virtually flawless satin-smooth surfaces. A very acceptable example of the date.   |
| 546 | 1891    | GEM BRILLIANT UNCIRCULATED with some scattered areas of light golden toning.   |
| 547 | 1891-O  | CHOICE BRILLIANT UNCIRCULATED with obverse bag marks.  |
| 548 | 1891-S  | CHOICE BRILLIANT UNCIRCULATED.   |
| 549 | 1891-CC | CHOICE BRILLIANT UNCIRCULATED with frosty surfaces and a sharper than normal strike. Only a few light surface contact marks keep it out of the Gem category.   |
| 550 | 1891-CC | GEM BRILLIANT UNCIRCULATED with virtually immaculate highly frosted surfaces. The amount of mint luster present on this coin, coupled with its minimum of surface marks, help make this a premium example. |
| 551 | 1892    | CHOICE BRILLIANT UNCIRCULATED with full frosty luster and some obverse bag marks as normally seen on this date.  |
| 552 | 1892-CC | Frosty CHOICE BRILLIANT UNCIRCULATED.  |
| 553 | 1892-CC | GEM BRILLIANT UNCIRCULATED with attractive light lilac toning draping the semi Proof-like surfaces. A most desirable specimen.   |
| 554 | 1893    | GEM BRILLIANT UNCIRCULATED with a hint of light peripheral toning.   |

*MORGAN OR LIBERTY HEAD SILVER DOLLARS*

---

- 555    1893-CC    Proof-like CHOICE BRILLIANT UNCIRCULATED. The centers are weakly struck and show some planchet striations present at the time the coin was minted.
- 

- 556    1893-CC    Frosty CHOICE BRILLIANT UNCIRCULATED exhibiting the usual strike. Very close to Gem quality when one considers the quantity of bag marks normally seen for this issue.
- 

**SUPERB MINT STATE 1895-S**

- 557    1895-S    An absolutely gorgeous GEM BRILLIANT UNCIRCULATED specimen with a whisper of light golden toning draping the lustrous surfaces. It exhibits a needle-sharp strike and has absolutely no impairments visible to the unaided eye. While many adjectives could be used to describe the beauty of this piece, suffice it to say that many, many years of searching probably would not produce a comparable example—for we doubt that its equal even exists! Worthy of a substantial bid commensurate with its true Rarity and fine quality.
- 

- 558    1896    Superb GEM BRILLIANT UNCIRCULATED with deeply frosted surfaces. There are virtually no surface or bag marks to detract from its appearance.
- 559    1896-S    CHOICE BRILLIANT UNCIRCULATED with full luster and obverse bag marks.
- 560    1897    Proof-like GEM BRILLIANT UNCIRCULATED, sharply struck. Only a few surface marks from perfection.
- 561    1897-S    GEM BRILLIANT UNCIRCULATED, sharply struck and with semi Proof-like luster.

## MORGAN OR LIBERTY HEAD SILVER DOLLARS

---

- |     |        |   |
|-----|--------|---|
| 562 | 1898   | Superb GEM BRILLIANT UNCIRCULATED with semi Proof-like fields and frosted lettering and devices. An exceptional example with only a few scattered light surface marks.                              |
| 563 | 1898-O | Frosty GEM BRILLIANT UNCIRCULATED. The obverse shows some bag marks, while the reverse is as close to being immaculate as one could hope for.   |
| 564 | 1898-S | GEM BRILLIANT UNCIRCULATED with some peripheral toning.   |
| 565 | 1899   | GEM BRILLIANT UNCIRCULATED with satiny surfaces.  |
| 566 | 1899-O | GEM BRILLIANT UNCIRCULATED with gold and blue peripheral toning.  |
| 567 | 1899-S | Exceptionally nice CHOICE BRILLIANT UNCIRCULATED that exhibits a sharper strike than is usually encountered for this date. Only some light obverse bag marks keep this coin from being rated a Gem. |
| 568 | 1900   | GEM BRILLIANT UNCIRCULATED.   |
| 569 | 1900-O | CHOICE BRILLIANT UNCIRCULATED, a trifle weakly struck in spots.   |
| 570 | 1900-S | GEM BRILLIANT UNCIRCULATED with full mint luster. The obverse shows some light bag marks but the reverse is virtually free of them.   |
| 571 | 1901-O | GEM BRILLIANT UNCIRCULATED with semi Proof-like fields.   |
| 572 | 1901-S | CHOICE BRILLIANT UNCIRCULATED with frosty, lustrous surfaces. Some bag marks on the cheek and in the field keep it out of the Gem category.   |
| 573 | 1902   | GEM BRILLIANT UNCIRCULATED with pale golden toning.   |
| 574 | 1902-O | GEM BRILLIANT UNCIRCULATED with Proof-like surfaces.  |
- 

- |     |        |   |
|-----|--------|---|
| 575 | 1902-S | GEM BRILLIANT UNCIRCULATED, sharply struck and with full luster. There are some planchet striations on the coin that were present at the time it was struck. It should be remembered that this is a mint caused defect, and should not be considered as detrimental as bag marks or scratches might be. |
|-----|--------|---|
- 
- |     |        |  |
|-----|--------|--|
| 576 | 1903   | GEM BRILLIANT UNCIRCULATED with full luster.   |
| 577 | 1903-O | GEM BRILLIANT UNCIRCULATED. The former “glamor coin” of the entire series. As late as the early 1960’s, this coin was selling in excess of \$1500! The price dropped off considerably when the Treasury hoards were released, but it still qualifies as far better than a “common date.” |

EXCEPTIONAL MINT STATE 1903-S

- 578 1903-S Gorgeous GEM BRILLIANT UNCIRCULATED with light golden-tan toning, especially around the edges. The coin is well struck, and the surfaces show only a few very light bag marks. Truly a specimen for the collector who demands the finest, and one that should attract spirited bidding.
- 

- 579 1904 GEM BRILLIANT UNCIRCULATED with light golden toning that deepens toward the edges. The frosty surfaces are almost totally free from bag marks, and the strike is well above average for the date. Truly a most pleasing specimen.

- 580 1904-O GEM BRILLIANT UNCIRCULATED with Proof-like surfaces that show light bag marks.
- 

- 581 1904-S A nicely struck GEM BRILLIANT UNCIRCULATED specimen that exhibits full mint luster over virtually immaculate surfaces. Problem free coins such as this are becoming increasingly difficult to locate.
- 

- 582 1921 Proof-like GEM BRILLIANT UNCIRCULATED with pale golden toning. A very difficult date to locate in Proof-like condition.

- 583 1921-D For a date notoriously known for weak strikes, this coin is a most pleasant exception. GEM BRILLIANT UNCIRCULATED with multicolored iridescent toning and some very light obverse bag marks.

- 584 1921-S GEM BRILLIANT UNCIRCULATED with light toning over full underlying luster. Better than average strike for the date.

## PEACE TYPE SILVER DOLLARS

---

585	1921	The first year of issue for the type and the only year in which the high relief design was employed. 594	1925	Superb GEM BRILLIANT UNCIRCULATED with full mint luster. A relatively common date but in exceptional condition.
595	1926	Superb GEM BRILLIANT UNCIRCULATED, a perfect mate to the previous lot. A most pleasant exception to the 1926's that are usually offered, as this specimen shows virtually no bag marks.
596	1926-D	GEM BRILLIANT UNCIRCULATED with a few reverse surface marks.
597	1926-S	Fully lustrous CHOICE BRILLIANT UNCIRCULATED.
